

SUPER STARS

Welcome to our exciting Super Stars Group! Please carefully read through the information below to ensure that you and your child gain the most out of your experience at Kidszone!

USEFUL INFORMATION ABOUT THE SUPER STARS CLASS

Our programme:

We provide an action packed programme with age specific ministry for your child! Please see details of the full Super Stars programme overleaf.

When to arrive:

We encourage you to register your child at least 15 minutes prior to the start of the service. This allows sufficient time for registration and to settle them into their class before you leave.

Registration Process:

At Kidszone, the safety and security of your children is of utmost importance. As such, you and your child will receive matching identification tags upon registration prior to the start of the service. Upon collection after the service, your tag needs to be presented thereby ensuring that the correct child goes home with the correct parent.

What to bring:

Please do not send toys or valuable items as these distract the children and can easily get misplaced or broken.

Sick Children:

Unfortunately we are unable to accept sick children. Please keep your child at home until they have fully recovered.

Your details:

Please ensure your contact information is up to date, should we need to contact you at any point during the service.

IMPORTANT INFORMATION FOR ALL PARENTS TO NOTE

1. Parents/guardians are required to **remain on the Rivers Church Campus at all times** whilst your child is at Kidszone. Should you need to leave the campus for any reason, please collect your child first
2. Children must be collected **within 10 minutes** after the close of the service.
3. Please **keep your cell phone on vibrate** for the duration of the time that your child is at Kidszone. Should your child not settle, become ill, or have any other issue that we need you to attend to, we will contact you via sms. Please come as quickly as possible to your child's class with your identification tag to attend to the matter at hand.
4. Please note Kidszone does not administer medicines of any kind to any child.
5. To ensure the safety and security of your children we do not permit adults, other than Kidszone staff & volunteers, into the Kidszone venues during the services.

Thank you for taking the time to become familiar with the Mega Stars Class.
We trust that you and your child will have an excellent and rewarding experience
with us at Kidszone.

We look forward to getting to know you and your child as they learn and grow with us! Should you
have any further questions please do not hesitate to speak to one of the Kidszone staff members, who
will be more than happy to assist you.
