

Welcome to our exciting Twinkle Stars Class! Please carefully read through the below information to ensure that you and your child gain the most out of your experience at Kidszone!

USEFUL INFORMATION ABOUT THE TWINKLE STARS CLASS

Our programme:

We provide an action packed programme with age specific ministry for your child! Please see details of the full Twinkle Stars programme overleaf.

When to arrive:

We encourage you to register your child at least 15 minutes prior to the start of the service. This allows sufficient time for registration and to settle them into their class before you leave.

Registration Process:

At Kidszone, the safety and security of your children is of utmost importance. As such, you and your child will receive matching identification tags upon registration prior to the start of the service. Upon collection after the service, your tag needs to be presented thereby ensuring that the correct child goes home with the correct parent.

What we provide:

Children are given a small snack of wheat/gluten free "Oatees" cereal, raisins and water.

What to bring:

If required, a nappy bag containing nappies, wet wipes and a change of clothing. Please ensure that all items are clearly marked with your child's name & surname. Please do not send toys or valuable items as these distract the children and can be misplaced or broken.

Sick Children:

Unfortunately we are unable to accept sick children. Please keep your child at home until they have fully recovered.

Care Cards:

Please complete a Care Card for your little one each time you drop them off at their class. Your child's Care Card alerts us to any allergies or medical conditions that we may need to be aware of, as well as providing your contact information should we need to contact you at any point during the service.

IMPORTANT INFORMATION FOR ALL PARENTS TO NOTE

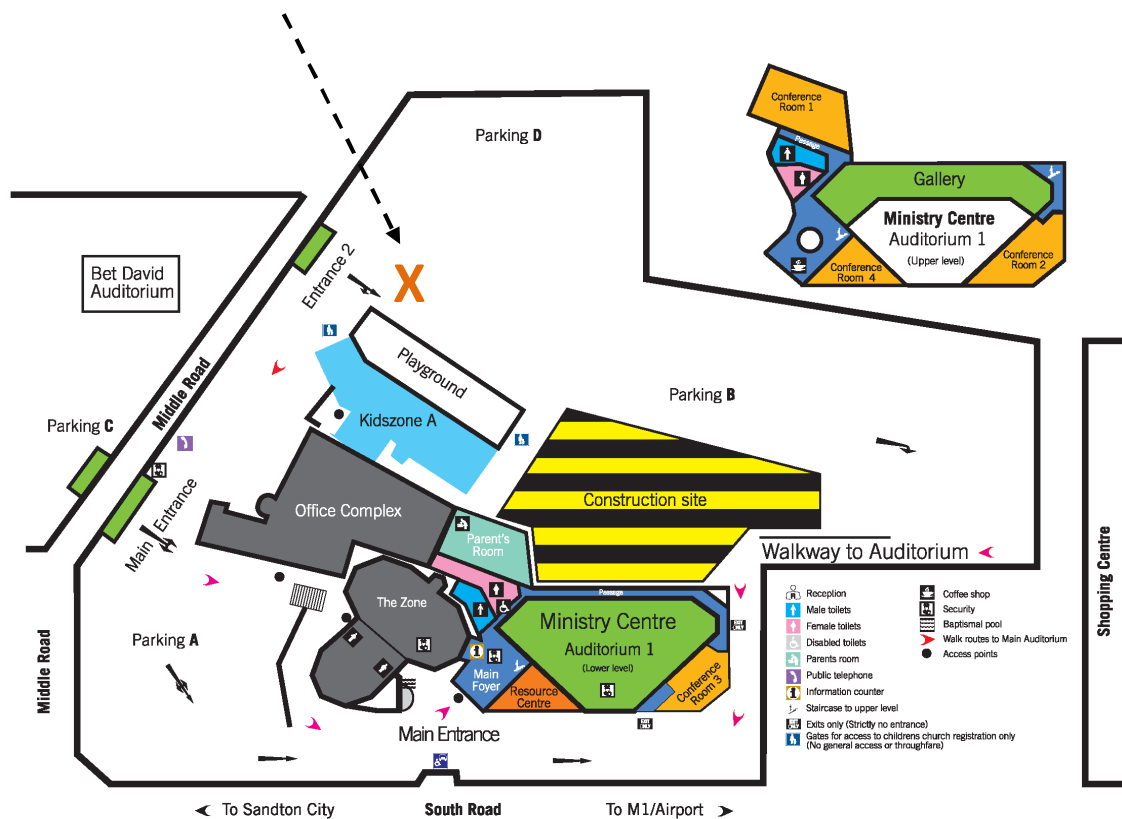

1. Parents/guardians are required to **remain on the Rivers Church Campus at all times** whilst your child is at Kidszone. Should you need to leave the campus for any reason, please collect your child first.
2. Children must be collected **within 10 minutes** after the close of the service.
3. Please **keep your cell phone on vibrate** for the duration of the time that your child is at Kidszone. Should your child not settle, become ill, or have any other issue that we need you to attend to, we will contact you via sms. Please come as quickly as possible to your child's class with your identification tag to attend to the matter at hand.
4. Please note that Kidszone does not administer medicine of any kind to any child.
5. If you prefer Kidszone does not change your child's nappy, we will call you out of the service when necessary.

Thank you for taking the time to become familiar with the Twinkle Stars Class. We trust that you and your child will have an excellent and rewarding experience with us at Kidszone.

We look forward to getting to know you and your child as they learn and grow with us! Should you have any further questions please do not hesitate to contact Paulette Parker at the church office for assistance (011 883 2151).
